Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.They can see the glow of fire from thirty kilometers away as they approach the town of Narrabri, from the north, the very air they breath is thick with smoke and carried by the wind are the remnants of burned timber, ash, and leaves are floating on this now deceptively gentle breeze. If they listen carefully they can hear this monster breathing, sucking in oxygen from the surrounding air, they all know from experience that this is not going to be easy, they have done it before and none of these battle hardened veterans in these crews are underestimating the challenge that is ahead of them. This true-life action is set against the backdrop of Australia s largest ever wildfire that has so far proven to be unstoppable it is now burning through hundreds of acres of The Pilliga the largest area of natural scrub and old growth timber in New South Wales Australia. when asked for assistance by the New South Wales State Government forty firefighters from QFRA Queensland Fire Rescue Authority answered the call and in true Australian spirit volunteered to drive their Queensland fire trucks over six hundred kilometre s to the central northern town of Narrabri and stay there until the job was done or they were rotated. This is a true story only the characters names have been changed to protect their anonymity, this fire was a very real monster almost a conflagration that had threatened and cut off towns and homesteads isolating people, animals and wildlife, cutting roads twisting and turning apparently on a whim, sometimes doubling back on itself at the changes of the wind, this fire had...
