

Rowing to Latitude: Journeys Along the Arctic's Edge

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

ROWING TO LATITUDE: JOURNEYS ALONG THE ARCTIC'S EDGE

North Point Press. Paperback / softback. Book Condition: new. BRAND NEW, Rowing to Latitude: Journeys Along the Arctic's Edge, Jill A Fredston, Jill Fredston has traveled more than twenty thousand miles of the Arctic and sub-Arctic-backwards. With her ocean-going rowing shell and her husband, Doug Fesler, in a small boat of his own, she has disappeared every summer for years, exploring the rugged shorelines of Alaska, Canada, Greenland, Spitsbergen, and Norway. Carrying what they need to be self-sufficient, the two of them have battled mountainous seas and hurricane-force winds, dragged their boats across jumbles of ice, fended off grizzlies and polar bears, been serenaded by humpback whales and scrutinized by puffins, and reveled in moments of calm. As Fredston writes, these trips are "neither a vacation nor an escape, they are a way of life." Rowing to Latitude is a lyrical, vivid celebration of these northern journeys and the insights they inspired. It is a passionate testimonial to the extraordinary grace and fragility of wild places, the power of companionship, the harsh but liberating reality of risk, the lure of discovery, and the challenges and joys of living an unconventional life.
