How to Pass Nursing School is a comprehensive book that covers all of the important aspects of nursing school. Unlike other books on this topic, this book will tell you all about nursing school--from A to Z! Nursing students often enter nursing school not knowing what to expect, and sometimes find themselves struggling to pass. Some students even become discouraged to the point of questioning whether or not they should quit or pursue a different degree. This guide was written to give students tips to pass, and to tell them exactly what to expect when attending nursing school. The author, S. L. Page, BSN, RN, currently works as a cardiac nurse, and graduated from nursing school with honors. She passed the NCLEX test on her first try, and later went on to start a popular website, where she's helped thousands of people learn more about nursing. In this book, Sarah guides the reader through what to expect in nursing school from beginning to end, covering all of the things students can expect to face, and sharing all the tips, tricks, and resources she used along the way. Whether you're a current nursing student looking for ways to boost your performance, a high school student interested in preparing for nursing school, an adult looking to return for a nursing degree, or a recent graduate looking for tips to transition into your first job--this book can equip you with the tools and resources to help you succeed. Aside from this nursing school guide, you'll also receive a bundle of professionally designed resume and cover letter templates for submitting resumes after graduation, a printable weekly planner template to help you stay...
