

Education for the Joy of It: How to Thrive Not Just Survive in High School, College and Beyond (Paperback)

By Dr Robert J Pellegrini

AUTHORHOUSE, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is targeted to all current or prospective high school students, college students, or anyone else who aspires to strengthen the educational foundation upon which to build the rest of her/his life -- with the hope that it is especially helpful to people who might otherwise become, or have already been formal educational program dropouts or lockouts. I cannot guarantee that applying what is offered here will ensure an A grade, or achievement of one's life goals. But I do guarantee that I have tried to summarize critical elements of thought, feeling, and action oriented to such objectives. Part I of this book is all about how to work both hard and smart to experience the joy of academic success. Hard work is necessary to achieve anything worthy of pride in our own creative effort. But it's not just how much or how hard we work at things. It is also how smart we work that determines our life outcomes. And what I mean by working smart is working efficiently and effectively. The goal here...
