Paperback. Book Condition: New. Paperback. 245 pages. Heres what some ACTUAL READERS have said about Diary of a Dead Guy by Ty Hager: Hahahahahaha. . . Good, funny read. . . still shaking my head and smiling. . . . The entire book is thoughtful, funny, mysterious, volatile, sexy, informative, insightful, and HONEST!!!I felt like it was right up there with some other published (and fairly successful) comedic novels Ive read recently. Its written in the past tense. Harveys about to become a part of the biggest story of his career. Diary of a Dead Guy is part ghost story, part outrageous comedy, and part whimsical-yet-sobering look at some of the harsh realities of the country music business. Alternating between the first-person memoirs of...
