Brand New Book ***** Print on Demand *****.Understanding Healing is a book to help followers of Christ know how to exercise their faith in prayer as they walk in the steps of Jesus on this side of heaven, as well as look forward to eternal life with much hope. As you read, may you encounter God s great work of healing nationally, physically, and spiritually. Books on healing always get my attention. As a family, we have known something of God s power and love. Our son, at the age of sixteen, was diagnosed with a rare cancer at the back of his eye. This challenge took us into the scriptures in a new way. Today ten years on, our son is healthy and very much alive. This book is practical, filled with scripture, and very honest. It doesn t seek to avoid the complexities or difficulties around healing, but it brings hope and faith based on the word of God and the Spirit of God. The declaration of scriptures (many are included in the appendix) and regular prayer, together with the support of God s people combined with good medical help, gave us breakthrough. My prayer is that there will be stories of healing that accompany this book. - Stuart Bell, Senior Pastor of Alive Church and Leader of the Ground Level Network, England.
