 Book Condition: New. 198 x 126 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It was a dark, cold evening early in November. We raced up to the traffic lights which were, of course, on red. I sat there willing them to change to green; we were going to miss the birth of our baby if we didn't get to the hospital in time. This story is about a lady who has Marfan syndrome - a genetic disability. When she got married, she wanted to start a family with her husband, just like any other couple, but it was to be a far from easy journey. But due to her determination, the IVF process and surrogacy, she was able to succeed in the end. This book details one woman's emotional journey to have a child of her own. Facing the highs and lows with strength and courage, her tale will inspire all out there who are travelling the same road.
