Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

The Carrington family tragedy leaves a seventeen-year-old boy born with Down syndrome without parents and a fifty-year-old home in the heart of the California central valley, needing to be sold. Staging expert Catherine Vaughn and real estate agent Kimberly Scott, both young widows, team up to sell the home on behalf of the family estate, but items keep disappearing from the home. In good conscience, how can they sell the home to an unsuspecting buyer? Cat and Kimberly draw upon help and guidance from their supportive friends, including a local police officer and a grandfatherly gentleman to give life to old homes and new families. Safely Home is a story of friendship, courage, and responding to God's purpose in life.
