Brand New Book ***** Print on Demand *****.The shopping centers, retailers and malls across America are gearing up for the busiest shopping day of the year, the day after Thanksgiving, Black Friday. The aptly named day of sales indicates a retailer s opportunity to turn their income statements from red to black in one day. But this year, Black Friday will adopt a new meaning for the United States, forever. Agent Bill Barton frantically attempts to put the pieces of information together to identify and avert a coordinated attack on U.S. soil that could kill hundreds of innocent people and simultaneously cripple the economy. As the information accumulates identifying the targets, he realizes the scope of the operation proves too large for one man, or a small team. Bart is going to need help, a lot of help, and at a moment s notice.
