Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Nothing Can Succeed without The Discovery of the Principle of The Back Side of the Moon March 3What are nations? Why do we have them? What are they for? In reality, their purpose is nothing other than to better the condition of humanity, as John F. Kennedy said when he announced the mission to send a man to the Moon and return him safely to Earth, by the end of the long-ago 1960s. The means for that advancement of the human condition, it is both the end and the means at once, is through genuine discovery or noësis. What is true for a nation, is even truer for an alliance of nations like the BRICS, the Eurasian Economic Union, or the Shanghai Cooperation Organization. Even if they are still new and fragile, these linkups of Eurasian nations already point to the future of humanity. Only in this condition of creativity is man truly happy; only in this condition is he genuinely himself. Yet this condition is virtually outlawed in the United States of today and...
