Editorial Oceano de Mexico, United States, 2015. Paperback. Book Condition: New. 2nd. 201 x 152 mm. Language: English,Spanish . Brand New Book. Like it or not, we are living in a world regulated by conflict and fierce competition. A world that demands that we are always alert and ready for action at a moment's notice. If we do not pay attention, we will not react in time to the challenges that are placed in our environment and if we allow others to control them and decide these for us, we are lost. This quick guide summarizes the basic ideas of the polemic but indispensable book by Robert Greene. The 48 Laws of Power, that has been read by millions of people around the world. It does not only deal with the reflection of power, but also as a practical instrument destined to be used by those who wish to start on a path to reach success. Taking as the foundation ideas and examples of great personalities from history and reoccurring real events, Greene reveals the keys that allow us to reach, conquer and defend the power.
