Createspace, United States, 2011. Paperback. Book Condition: New. 202 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.The book is a discussion about several aspects of Chinese culture. Even the title of the book, Eggs under a Red Flag, reflects the latter theme, because it presents an implied-query, which begs the question - so what about Chinese culture, the Chinese family system, and the Chinese people? The latter question also gives rise to a host of other issues and questions. One such issue or question is what the real stories behind the red flag are. The latter may well be a truism because the real Chinese culture and Chinese people have always, although sometimes seemingly unrevealed or silent, stood behind the wall, symbol or symbolism of the red flag. From...
