Picador USA, United States, 2015. Paperback. Book Condition: New. Reprint. 229 x 152 mm. Language: English . Brand New Book. Patricia Highsmith, one of the greatest writers of 20th Century American fiction, had a life as darkly compelling as that of her favourite hero-criminal, the talented Tom Ripley. Joan Schenkar maps out this richly bizarre life from her birth in Texas to Hitchcock's filming of her first novel, *Strangers On a Train* , to her long, strange, self-exile in Europe. We see her as a secret writer for the comics, a brilliant creator of disturbing fictions, and an erotic predator with dozens of women (and a few good men) on her love list. The Talented Miss Highsmith is the first literary biography with access to Highsmith's whole story: her closest friends, her oeuvre, her archives. It's a compulsive page-turner unlike any other, a book worthy of Highsmith herself.
