Xulon Press, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Things You Need to Know - is a book that covers multiple subjects that Christians should have knowledge of, it is a book that will help those who struggle in there walk with Christ, it also provides some directions with written scriptures found in it of how we can continue our faith in Christ after or when we fall. The parable of the prodigal son is one of the greatest examples of a person who begin to perish because he felled to recognize who he really was. He knew that where he was, once he left his father s house was not the place of prosperity and blessing. He had left the house of plenty and abundance just to eat with the pigs. So many people have left the presence of God and are now eating with the pigs. The goal of this book is to help them come back and bring someone with them to also enjoy what God the Father has to give. Roy Freeman was born in Miami Florida. While he was young his mother taught him about Jesus Christ and Salvation, after finishing high school he attended University of Miami and took courses at Miami Dade Community college he continued his education once he joined the military. He was the senior pastor of Solid Rock Family Christian Center in Copperas Cove, Texas since 1992 when the church was founded. Prior to that he pastured several churches as he traveled throughout the United States of America and Europe. He is a believer in the Bible and the authority of Scripture.
