Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: . . . and it is necessary to prosecute through the courts, which is always an expensive, slow and uncertain system. This is especially true with this and kindred laws, because of the unwillingness of most county officials to enforce them. The Federal government has adopted the system of resorting to the taxing power of the government, instead of making it a criminal offense, taxing the employer for working children below a certain. age, or under certain conditions. The advantages of this system are: Elimination of the expense, delay and uncertainties in criminal prosecutions, relieving our courts of considerable congestion now experienced and assuring a better and more universal enforcement of the law. I would therefore recommend that the law be amended so as to remove all present exemptions and exceptions; that no child under eighteen years of age be permitted to work more than eight hours per day, nor more than six consecutive days in any-one week; that work permits for children under fifteen years of age be abolished, that provisions for the care of indigent or dependent children be made by the State through a mothers pension or some similar law; that all children under eighteen years of age be. required to undergo a physical examination by a health officer or school physician before being employed, to determine if such child is physically fitted for such employment; that night work between the hours of 7 oclock p. m. and 6 oclock a. m. be prohibited...
