CSA Press. Paperback. Book Condition: new. BRAND NEW, Eternal Way: The Inner Meaning of the "Bhagavad Gita", Roy Eugene Davis, When read superficially, the opening chapter of this text tells of a great war between opposing factions. When interpreted as an allegory the esoteric meaning portrays a drama far more significant than any transitory historical event. What is revealed: (1) the progress of the soul's awakening from self-conscious involvements with physical and psychological circumstances to realisation of its true nature as pure consciousness; (2) the challenges commonly confronted during the process; (3) liberating knowledge that removes awareness from all that is suppressive and restrictive. Roy Eugene Davis is a widely-travelled teacher of meditation and spiritual growth processes, the author of several books, and director of Centre for Spiritual awareness with offices and a retreat centre in the northeast Georgia mountains. He is a direct disciple of Paramahansa Yogananda.
