

Special Day Programme Bulletin: For Use in Virginia Public Schools and Community Leagues (Classic Reprint) (Paperback)

Filesize: 7.48 MB

Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

(Rebecca Bechtelar)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Special Day Programme Bulletin: For Use in Virginia Public Schools and Community Leagues To Teachers and League Officers: We believe this bulletin will be a source of great assistance to you in your social work, and we trust you will carefully plan to use as many of the programmes as possible. Of course no one school or community is expected to observe all the occasions but we must urge you to observe the following programmes if at all possible; Better School Day, Better Roads or Streets Day, Better Farm Life Day, Better Health Day, May Day, and Better Church Day, and try to accomplish something definite on each occasion. We have mailed or will mail on request to the league Secretaries a post card report blank for each of these six programmes, which you should fill in and send us immediately after the observance of the day. The State Departments co-operating with us expect this information in order to be of further assistance to you. If you have observed either of the days before receiving this post card, do not fail to fill in the blank for that day and mail to us at once. It has cost much to furnish you this bulletin, now will you not show your appreciation, by making the very best use of it, and by faithfully attending to these reports? Yours for a most happy and successful year. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format...
